## WELCOME

...to our 16th Fall Quarter Horse Production Sale!

The foundation of our family ranch operation is our Hereford cattle, a breeding herd established in 1945, 75 years ago. Working Quarter Horses have always played an important role in our operation located in Western Kansas ranch country. Our AQHA performance horse breeding program is now, also, a big part of our ranch program. Quality livestock are this family's passion and we follow the same principles breeding Herefords and Quarter Horses.

Our goal is to breed and develop a versatile horse with an optimum blend of proven cowhorse, arena performance and speedhorse lines. The 2019 foal offering is loaded with quality, performance and Sun Frost, Driftwood, Hancock blood. We'll feature progeny of our stalwart Sun Frost sons PC Frost Em Peppy and Citisun Cline, Driftwood stallions Frostwood Drift and Setumup Wiley, cowhorse stallions Colonel Frostwood and Roosters Shorty, outcross sire Four For Tee, the last foals by Roan Bar Valentine ...and first foals by Driftwood Courage, our new standout son of 6666's Captain Courage.

The saddle horses are top working ranch horses dominated by standout, young JA-bred geldings direct from our Sun Frost, Driftwood, Hancock program. These prospect horses have been started by the High and Zimmerman families with a solid foundation. Respected cowboy trainer Ty Hotchkiss rides for 60 days to complete and prep for sale presentation.

This 2019 sale features a top set of JA broodmares highlighted by proven program matrons and high quality young mares backed by our newest genetics. They are bred for a standout set of 2020 foals.

Our goal is to match the right horses with the right buyers and enhance the success of your purchases. Please call ...let's get acquainted so we can make the best recommendations based upon your goals and criteria for your new saddle horse.

Dedicated to good ranching, good Herefords and great Quarter Horses, our family sincerely appreciates the opportunity to present our horses for your consideration!

Handy and cute, "Lucky" was very easy to start. Dam was used as a ranch horse on the TO Ranch, New Mexico, as well as here in Kansas, where she could sure work a cow. She sells in this sale as the Lot 67 broodmare. Quick to learn and he uses himself well. He is soft and supple with a demeanor that will make him a very versatile, all around, user friendly horse. Here is the right kind!

MABELINE DOODLE

15.3 hh

Bred in the purple, he's solid and experienced ... I recommend him for anyone! If you want to compete some, he is sound and has been won on. He is big, but let the kids climb on hand over hand, or will stand quiet by the fence or trailer for us older fellas. Pulled from last year's sale because of a stone bruise, we have used him since then, and he is solid.

Black and white Paint that has a lot of action. Very broke, always controllable and athletic. Gentle minded and safe, but a bit more enthusiasm that the inexperienced would appreciate.

"Sugar" is a beautiful mare that stands 14.3 hh. She has a long flaxen mane and tail. A big stopper, she is making nice heel and breakaway horse and was used as a turn back horse at cuttings. Lots of cow and will pin her ears to get to one. Real gentle, but has some action when hooked on a cow. Call Seth at 605/210-1124.

Sharp looking mare that was started at two, ridden a few years, and then took time off to raise a couple of colts. Dale Johnson has been riding her again, and she has not forgotten her training. Talk to Dale about this mare! 785/821-4340.

# THE SALE PONIES... **STARTED AND TRAINED BY THE HIGH & ZIMMERMAN FAMILIES!**

Their foundation is solid ... they've been ranch-ridden ... they're ready to be a jr. cowboy/ cowgirl's best friend and capable of doing a "Big Horse" job!

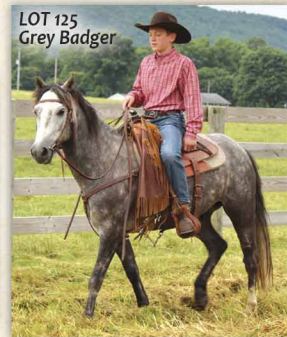

LOT 126 Jasper

LOT 129 Bob ...Little pony, big heart, gettin' some help on a Big Boy's job!

LOT 129 Bob

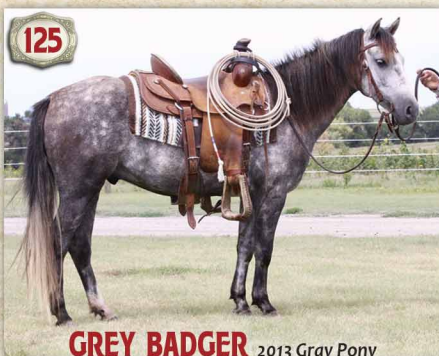

LOT 125 Grey Badger

LOT 127 Smoky

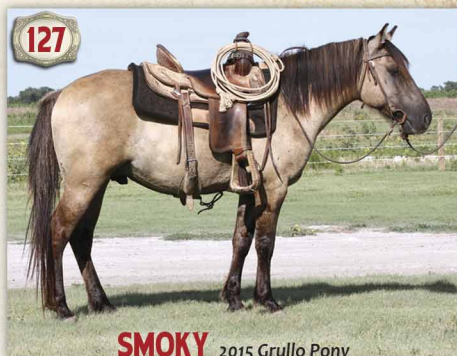

LOT 130 Woody

**125**  
**GREY BADGER** 2013 Gray Pony  
Super fancy and good looking, "Grey Badger" sits at the front of the pony class in every way. He rides like a little Quarter Horse, yet is gentle and easy to be around. Watch him move ...he has athletic ability, yet is quiet and good mannered to fit a variety of riders. He has dragged calves in the branding pen, and did a great job. This is one top pony!

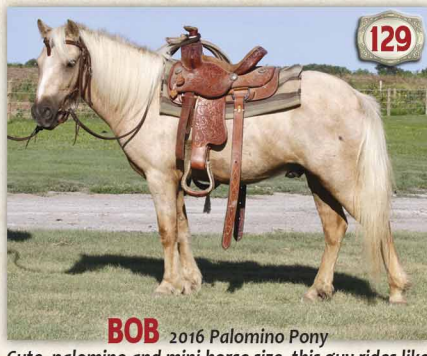

**126**  
**JASPER** 2013 Bay Pony  
Well-balanced with a good attitude, "Jasper" has seen the sights, is quiet, gentle and easy to be around. He has dragged calves at the branding and is fine with most any kind of activity happening around him. He will ride single or double, and is fine bareback or saddled.

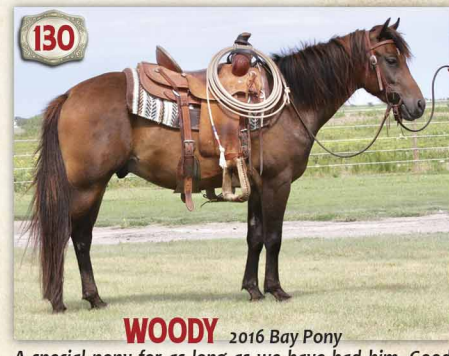

**127**  
**SMOKY** 2015 Grullo Pony  
Heavy-boned, good-footed and very gentle, "Smoky" is as special as he is unusual. His grulla color makes him a good looker, but the best part is what all he can do. Gentle for almost any level of rider, he's been in the mountains and through the creeks. Dragged calves and handles pressure well. He will carry one or more riders, bareback or saddled ... it does not make much difference to him!

**128**  
**CHEX** 2014 Bay Pony  
A well-built pony with lots of ability, whether you like to trail ride, drag logs or just ride around the yard. He has ridden in many different situations, and is very controllable. Gentle on the ground or in the saddle. My six year-old grandson Asher rode Chex on a ten mile trail ride this past summer, and both got along great!

**129**  
**BOB** 2016 Palomino Pony  
Cute, palomino and mini-horse size, this guy rides like a big horse. Started and ridden by a 10 year-old boy, this pony has been exposed to all the rigors of family pony life, and is solid and trustworthy. Believe it or not, he even dragged a couple of small calves in the branding pen! He might be small, but he has a big heart and is ready for the next family to take him on!

**130**  
**WOODY** 2016 Bay Pony  
A special pony for as long as we have had him. Good looking, square and solid footed, he will take care of young riders for years to come. He has been through the creeks, up the steep trails and has dragged calves. Extremely well-mannered, gentle and has been a joy to have around, he doesn't mind if you ride bareback, saddled or behind the saddle, he'll go where you point!
