77 YEARS ... A Breed & Industry Impact Program!

Since 1976 ... 58 on-ranch sales
... 6000 bulls & 3000 females to breeders in 33 states, Canada!

WELCOME

...to our Jamison Family Hereford Event!

Sunrises come and sunsets go ...and it is sunset time for the Jamison Ranch Hereford program. Hereford cattle have been our life blood and passion for both, my father and me for over 80 years. The Hereford breed has treated us well and we certainly will not abandon the breed ...instead, will shift to a more commercial basis. We are retaining the embryo transfer heifers and family members have a few females which will be the nucleus of a much smaller registered herd. Our 2022 bull sale will be as usual ...2023 will have less numbers. We will see how we proceed after those two sales.

Our cowherd is the result of many years of selection pressure. We have come much closer to our goals of strong, well made udders, higher fertility levels, heavy pigmentation and efficient growth. The cows are linebred for generations. You can continue with what we have established, outcross within the breed for inbred heterosis or get maximum kick from a crossbreeding program.

It's been quite a ride ...many great cattle and many even greater people ...an incredible experience!

We welcome your evaluation,
Gordon Jamison
