Absentee Bidding

Please contact the owners or any member of the sale staff if you would like to place a bid on any lot/s but will not be able to attend the sale. Live bidding will be available to registered bidders on the dvauction site. Visit www.dvauction.com and register to bid; for general questions, phone (402) 316-5460, or email: support@dvauction.com

Sale Terms & Conditions

CASH. Each animal will be sold to the highest bidder. The auctioneer will settle any disputes as to bids.
All cattle are to be paid for by the purchaser during or immediately after the sale and will not be released until after settlement has been made. Registered cattle will not be transferred until paid for in full.

Health

All cattle will have interstate health charts required for shipping into other sections of the United States. The commercial females have been pregnancy examined. Bulls will be fertility tested. Trichomoniasis tests upon request.

Guarantee

The registered cattle offered for sale are sold under the current terms and conditions recommended by the American Hereford Association, www.hereford.org, or American Angus Association, www.angus.org.

Registration Certificates

Registered animals will be transferred to the buyer at the seller's expense. Calves born before the sale will be registered by the seller; calves born after the sale may be registered by the buyer. Each buyer must be sure to give the clerk the proper name and address for making transfers. No registration on commercial lots.

Announcements

Announcements made at the sale by the owners or the auctioneers concerning the cattle will take precedence over statements in the sale catalog. We reserve the right to withdraw any sale lot not meeting our specifications prior to sale time.

Expected Progeny Differences (EPDs)

Expected progeny differences are statistical predictions, or estimates, of expected performance of future progeny—not guarantees of performance.

Throughout the catalog, all EPDs preceded by the abbreviation "Est." have been estimated by us based on the animal's ancestors' EPDs and are not the animal's actual EPDs, which may be available at a later date.

Note

All persons who attend the sale do so at their own risk; neither Jamison Ranch nor the consignors assume liability, legal or otherwise, for accidents or loss of property.

Catalog produced by Southwest TypeStyles, (405) 381-3591 
Photography by Chisolm Kinder

From US Highway 75, go west 8 miles on Hwy. 16 to the Henson Feed Store.

Turn right on Dentonville Road and go 3 miles north to the Jamison Ranch headquarters.

From the west: take Hwy. 16 and go 16 miles east of Bristow to the Henson Feed Store.

Turn left and go 3 miles north to the Jamison Ranch headquarters.

WELCOME TO JAMISON RANCH!

Dear Friends and Fellow Breeders:

The Jamison Family welcomes you to our Second Annual Jamison and Jamison Bull and Female Sale! Our family has been ranching in Creek and Okmulgee Counties for nearly 120 years, and we are thankful for the foundation in ranching they left us.

Our goal is to produce and offer the best Hereford and beef cattle genetics. The cattle are bred and developed by cattlemen for cattlemen. We believe in these strong Line One Hereford genetics. The optimal cross for a Hereford bull is a set of black cows.

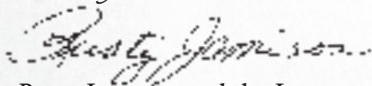

The sale bulls have been fertility tested and will be trich tested if your state requires it. All the Hereford bulls are virgin bulls. The Angus bulls were bought from Express Ranches and used to breed the commercial spring-calving heifers offered in the sale. The Angus bulls will be fertility and trich tested, and all of the bulls selling will be fully guaranteed.

Our family has been doing business with the Gordon Jamison family for more than 35 years. In that time, we have developed a strong friendship and a great business relationship. Gordon has brought a strong set of two-year-old Hereford bulls and six ranch geldings that are backed by years of his progressive and proven breeding programs.

This year we also have a strong set of spring coming two-year-old bulls from Thomas Verquer and Sons from Trinidad, Colorado. They also are Line One-bred bulls that complement our breeding program. We have also been doing business with a good neighbor and friend, Bill Stuckert, of Double S Herefords at Sand Springs, Oklahoma. He has been using Jamison genetics for many years, and we have been buying his calves at weaning and developing them along with ours.

Please call if you have any questions. We look forward to seeing you Saturday, October 25th!

Sincerely,

Rusty Jamison and the Jamison Families and Crew

Rusty Jamison

Mary Lou & Carolyn Jamison

Join us for lunch before the sale!

In the 1890s, Mary Lou Jamison's grandfather, W.M. "Rusty" Thompson, came to Creek and Okmulgee counties in east central Oklahoma and began ranching. Today, Mary Lou, her son Rusty and his wife, Carolyn, operate what is now Jamison Ranch. The operation is mainly a cow/calf operation, utilizing registered and commercial Hereford cows and commercial Angus cows that produce registered Hereford and black baldy calves. Each year, Jamison Ranch develops and sells many Hereford, black and black/white-face bred heifers that continue to top replacement female sales across Oklahoma. In 2007, the Jamisons purchased a set of registered Hereford cows from longtime friends, the Gordon Jamison Family. This is the second sale offering held at Jamison Ranch, and we sincerely appreciate your interest!

+2.3	+2.2	+47	+64	+28	+52	+0.7	+.08	+.09

- Out of a first timer and sired by the 065X Cooper bull we own with Coleman and Oleen, this bull has performed solidly and scanned with a big IMF to ratio 127. Out of a very moderate framed cow, this bull should sire disciplined mature size without reducing payweight and very productive, long lived cows. The first 065X daughters are exciting and doing well with their first calves.
- BW 75 lbs.

FLASHS ANNIE

- Joker is a well broke, do-it-all kind of horse. He is a nice size for those of us who don't like to climb. He is kind and gentle and will fit all levels of riders. Put a cowboy aboard and he will work the cow and handle the rope; put your granddaughter on and feel comfortable and safe. Plus, he is good to look at.

SHEZA SILVERTONE

UNREGISTERED QH MARE

- A classy looker with classic buckskin color. This has been Cody's project the last year or so. No surprises in this package. He has seen the big country and is sure ready for whatever job is thrown at him.

SONITA'S LAST

CLUB ANNIE

- A nice colored red roan with a nice, soft handle and a quiet disposition. Should fit everyone from kids to cowboys. A smooth moving horse that has seen both outside ranch work and the roping arena.

Dohm

2007 • Unregistered • Bay Gelding

GRADE

GRADE

- Big, stout horse that can pull a bull or babysit the kids. We have used him for every ranch job and also let the town kids ride him and follow along. A nice, soft handle. He's not built to be a cutter but will watch a cow.

SKIPPA PRINCE

KITTY BAR

- A linebred Wiescamp pedigree and a solid ranch horse. With his nice, soft handle and good disposition, Robbie Sox would make a good youth or lady's horse, but he can sure handle the big ranch jobs. Always the same...turn him out for long periods, bring him back to the job and nothing has changed.

MARA LARK

CINBAR MISS

- A good looking paint that's a decent rope horse in the arena and has seen lots of outside, big country riding. Safe for anyone and good for any job. He can get a bit buddy sour and likes company.
