Beautiful, productive Hereford females and "cow savvy" ranch horses ...that's our livelihood and passion!

A Premier Hereford and Quarter Horse Event!

WELCOME ...to our 12th Fall Hereford Female and Quarter Horse Production Sale.

Performance Hereford cattle and "cow savvy" Quarter Horses are the heart of our ranch operation. We are pleased to offer the production of those programs.

Our 2015 year has been a weather roller coaster ...an extremely dry spring and fall with two bountiful summer months that grew good grass and hay. The cattle market has settled in at a livable level from 2014 records. The stock have done well; their performance shows the benefit of our continued investment in superior genetics; we're living the ranching lifestyle that is our passion ...we feel blessed!

Our Quarter Horses are presented with great confidence. The 2015 foals are outstanding exhibiting the stamp of quality, conformation, mind and movement that has long been our goal. Our "best set of solid, broke, ranch horses we've ever sold" includes a selection of outstanding JA-bred geldings and a large number of top ranch horses purchased from reputation western cow outfits. Cody and our crew invested lots of time and miles on these geldings through the summer. Ty Hotchkiss and his expert cowboy trainers have spent the last two months putting on the finishing touches.

The Hereford females are the best JA-bred replacement heifers ever presented through our ring. Highlighted by daughters of our proven Hereford breed leading L1 sires, they are A.I. and pasture bred to a battery of young bulls upon which we have banked our future. Their 2016 progeny will position you at the front of the Hereford business! The Hereford and Baldie commercial bred heifers are as good for quality, genetics and "kind" as will sell this fall season.

Herd bull partners Blue Top Herefords, Climbin' Tree Ranch, Coleman Herefords and B&B Cattle Co. are welcomed to this sale as co-op herds. The BT, CTR, CO and B&B cattle have been developed here at the ranch and are backed by our L1 genetics and our guarantee.

Our family is dedicated to good ranching with good Herefords and good horses backed by our faith and integrity of business. We sincerely appreciate the opportunity to present the product of our efforts to you.
